HICKMAN, KENTUCKY, THURSDAY, FEBRUARY 1, 1917

Number 31

THE DEMOCRATIC VOTE IN PAST PRIMARIES.

Just at this time, candidates and their friends are interested in the Democratic vote of Fulton county. Few people could say for a certainty what the vote totaled in the last primary, but most of them would like to know. Based upon the total vote cast in the sheriff's race, which is most likely to give the maximum vote, we give below the official count as shown in the Hickman Courier files, for each precinct:

Nov. 3, 1909:

East Hickman	219
Old Hickman	285
West Hickman	300
East Fulton	317
West Fulton	335
Lodgeton	156
Cayce	266
State Line	86
Sass. Ridge	120
Madrid Bend	31

Total 2115

Aug. 2, 1913:

East Hickman	210
Old Hickman	325
West Hickman	329
East Fulton	298
West Fulton	349
Lodgeton	169
Cayce	281
State Line	88
Sass. Ridge	135
Madrid Bend	32

Total 2218

It will be observed that there was an increase of 103 votes from 1909 to 1913. An increase of about double this amount may be expected in the next primary. In the last presidential primary this county gave Wilson 2163, and four years ago only 1609, so this cannot be used as a basis of strength. On the other hand East Hickman cast 251 votes for Wilson last fall, while she only voted 210 in the last county primary; in the same way East Fulton gained 41 votes; Sassafras Ridge gained 62; West Fulton gained 54. On the same basis Old Hickman lost 57; West Hickman lost 141; Cayce lost 8, and Madrid Bend 16.

On the whole, The Courier predicts the vote in the next primary will be close to 2400.

MAY PROMISE JOB.

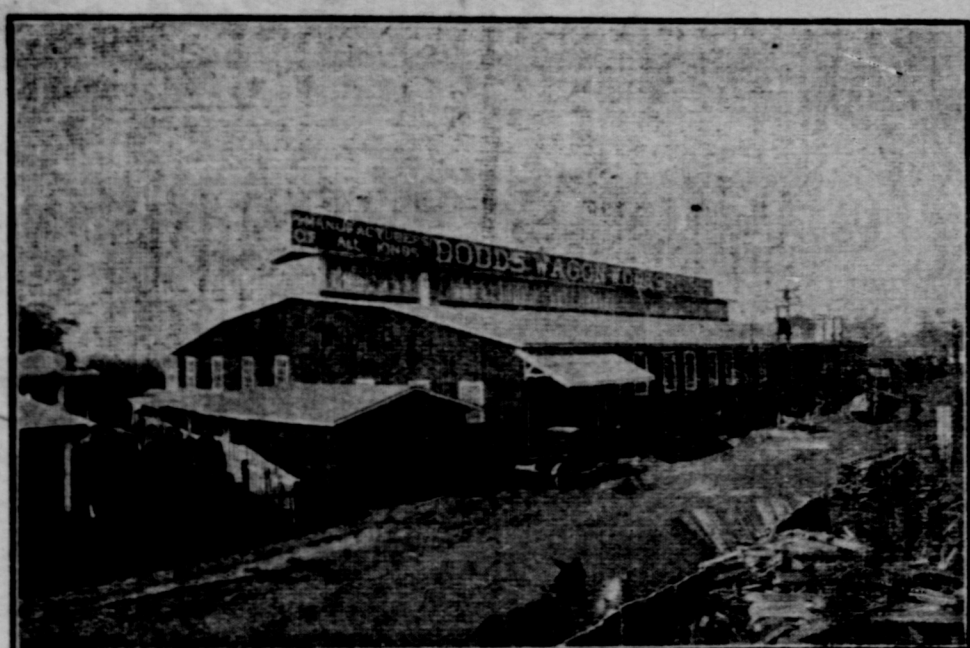

Candidates for county offices, particularly that of sheriff, are getting ready to admit, not to say promise, their constituents that they will appoint so-and-so deputies, and the good news is reaching them that they can do this without violating the provisions of the Corrupt Practice act. Many candidates for sheriff have been inquiring of Attorney General Logan whether arrangements, by which a prospective deputy runs along with his principal for the office, are illegal. Gen. Logan has come to the conclusion that it was all right and not prohibited by the act.

Teachers who have pursued the reading course, prescribed by the Kentucky Educational Association, will be given professional credits qualifying them for higher salaries. State Superintendent V. O. Gilbert is sending out examination papers to the county superintendents, who will examine the reading course teachers. Mr. Gilbert said that hundreds of teachers studied the course this winter.

The Case of Dave Jackson vs. Jim Grayum, of Wingo, has been dismissed in the court of appeals where it was taken from the Graves circuit court. The suit arose over the election of a police Judge of Wingo.

There are quite a number of wild pheasants in Fulton county, according to reports, as the result of the distribution of a few coveys of the birds two or three years ago.

CHILD OF OLD HICKMAN INDUSTRY A HEALTHY INFANT

Above is a view of the new home of the Dodds Wagon Co. was the parent—located at Clarksdale, Miss., and owned by Syd. L. Dodds—banker, planter, manufacturer, live stock breeder and one of the most progressive business men of Fulton county. The wagon factory, which was Hickman's oldest industry, was moved away last year. Its present capacity is 120 complete wagons per week; and we understand the firm is away behind with orders, which speaks well for the business in their new territory. On the factory force are following Hickman gentlemen: Chas. F. Baltzer, Ben Hertweck, Hugh Fethe, Grover Salmon, Lush Cole and J. H. Nelson, Jr.

PARRISH SUCCEEDS RUSSELL AT F. & M. BANK.

J. H. Russell, assistant cashier at the Farmers & Merchants Bank, has resigned his position on account of the confinement attending his duties and will take a much needed rest.

Cayce B. Parrish, local manager of the Cumberland Tele. Co., will succeed Mr. Russell, the change taking effect the 15th of this month. Mr. Parrish's resignation as manager has been accepted by his company, and Rudy, of Wickliffe, will take charge of the local telephone business on the 15th.

While the bank officials, of course, regret to give up Mr. Russell, they are getting a fine, young business man to take his place, and are fortunate in being able to secure him at the opportune moment.

WOULD HELP SOME.

One cent "drop" letter postage will probably become a reality as a result of legislation which it is expected the present session of congress will enact as a first step in the movement for a general rate of one cent for ordinary letters.

An active campaign has been in progress for the last five years looking towards one cent letter postage. This has culminated in a definite agreement on the part of legislative authorities at Washington to grant a one cent local rate in all cities and towns where deliveries are made. This is the first step, the one which counts, according to those who are prosecuting this campaign towards securing a general rate for the entire country.

Advertising is good stuff if you use the right medium. You know what you always do with a circular bearing a one-cent stamp, don't you? And yet you expect other folks to read your circular before consigning it to the waste basket.

Tom Pendleton was called to Harris, Tenn., Monday, to attend the bedside of his father, who was reported dangerously ill. The elder Pendleton is 80 years old. Mrs. Tom Pendleton was called to Ripley last week to her mother's bedside.

Arch Hertweck left Tuesday for Hot Springs to spend a few weeks. Arch has been on the sick list for several days.

ROY SAWYER RUNS FOR COUNTY CLERK.

Roy Sawyer, one of Fulton's leading business men is candidate for the office of County Court Clerk of Fulton County, subject to the action of the Democratic primary, election Aug. 4, 1917.

The Fulton Daily Leader in this regard, says of Mr. Sawyer:

"He is well known to the citizens of Fulton county, having been engaged in the real estate business in Fulton for many years where he came in contact with the people of the county in a business way practically every day. The business like manner in which he has conducted the business entrusted to him

and his square and fair dealings has endeared him to the people, so much so that they feel he would make an ideal officer to serve them. He is in every way capable of filling the office and in this issue he writes a card telling the people just what they may expect of him if elected. This is the first time he ever ran for an office, although he has been a loyal Democrat all of his life. He now asks the Democratic voters of Fulton county to consider his candidacy before pledging their support to any other candidate, and as soon as possible will try to see each and every one in person during the campaign. The fact that Mr. Sawyer has a good knowledge of

law will better qualify him for the position than otherwise, and if elected will make a god, faithful and conscientious official."

HICKMAN WANTS STATE HIGHWAY TERMINAL.

The State and federal government engineers have drawn up a set of plans for the construction of a highway, beginning at Wickliffe, running through Bardwell, Mayfield, the counties of Trigg, Marshall, Christian, Todd, Logan, Warren, and on east. It is proposed to build this road under the national good road act, by the provisions of which the federal government pays half the cost, the State one-fourth and the county one-fourth.

The road, as surveyed by Engineer W. F. Brooks and John A. Whitteaker, of the federal good roads office, traverses Ballard, Carlisle, that the road referred to is one which is to be built with federal aid. Its proposed course is from Wickliffe, on the Mississippi river, to Ashland, on the West Virginia boundary line, a distance of 420 miles. The road will cost \$3,000,000, half to be furnished by the federal government, and half by the counties which the road traverses. It will be built of brick, concrete and asphalt, or any substance suitable to existing conditions.

Although Com. Wiley said he approved the above route, Judge E. J. Stahr, Hickman, and Judge Herbert Carr, of Fulton, headed a delegation from Fulton county, who went to Paducah to attend the meeting Wednesday, asking that the road be extended to Fulton and Hickman, instead of to Wickliffe. They have been promised a hearing before definite action is taken—which will be held at Paducah about March 1st.

MERCHANT STABBED;
DIES AT UNION CITY.

Resulting from knife wounds, inflicted by Kinchon Simmons, John Ivy Blewer, merchant of Rives, Tenn., died at Union City Saturday night at the hospital, 3 hours after the cutting fracas, without regaining consciousness. Blewer was cut five times in the throat and chest, one gash penetrating the right lung, severing an artery.

Simmons is in jail at Union City with two bullet holes in his right arm. He says Blewer shot him. His younger brother, Harve Simmons, is with him, having been an eye witness to the slaughter of Blewer. Ansel Jordan, a comrade of the Simmons boys, is held as a witness.

All three boys are in their teens and are from the Little Creek neighborhood of Rives. Mayor McNeil, of Rives, stated that he understood the Simmons boys and the Jordan boy came to the Rives station on the evening of the tragedy to get shipment of whiskey which they carried over besides Mr. Blewer's store to drink. They became unruly and when Blewer came out of his store and ordered them away, threatening to call an officer, Kinchon Simmons sprang at Blewer and cut him twice. Mr. Blewer then shot wildly and called for assistance. Miss Roxanna Blewer, a sister of the storekeeper, who was in the store at the time, was an eye witness, with several others, to the affair. Simmons had thrown Blewer to the ground and was slashing at him with his knife when pulled off and handcuffed. Both men were covered with blood and Blewer was unconscious.

IN REACH—OR OUT?

Suppose a fire broke out today in the house, office or store adjoining you how would you stand in regard to a fire insurance policy? Have you got one at all? Is it in a sound and reliable company? Now is the best time to think about it and to take out a policy if you haven't one. You can't get it afterwards you know. See us about a policy at once. The cost is small—the benefit great.

HELM & HELM
HICKMAN, KY.

O. PIPER, OF CLINTON, KY., FOR REPRESENTATIVE.

In today's Courier we are authorized to announce Ote Piper, of Hickman county, as a candidate for Representative of Fulton and Hickman counties, subject to the action of the Democratic primary, election Aug. 4th, 1917.

Mr. Piper has been solicited a number of times to run for office by his many friends but has always declined until this occasion. His friends claim that he will prove a strong candidate and that when the primary rolls round he will be found decidedly in the race. Perhaps there is not a better known man in Western Kentucky that Mr. Piper, or a man more closely identified with the people of Fulton and Hickman counties, and above all more closely in touch with their desires.

When a young man, after completing his education at the National Normal University, of Lebanon, Ohio, he returned to his native State, Kentucky, and taught school for twelve years. In fact he has taught school in practically every school district between Fulton and Clinton and scores of young men and women who hold high positions with honor today owe their early training to this man who now wants to represent them in the

state legislature. It is the same Mr. O. Piper who has become noted throughout the Southland for his nursery stock who is asking the people of Hickman and Fulton counties to send him to the legislature. For many years he has devoted his attention and been actively engaged in farming and nursery work, and his home paper says: "Scattered all over this section of the state stands over a million fruit trees mutely testifying to what a man really in earnest can do. We need this type of man to represent us in the next legislature."

There is not a better informed man in this section of the state than Mr. Piper. He keeps in touch with all the national as well as state issues and is a Democrat of the Jeffersonian type; loyal to the party's best interests. He is for state wide prohibition and is loud in saying that he proposes to work unceasingly for its adoption if elected. With his well grounded knowledge of the needs of the people and his progressive spirit we feel that he is fully capable in every way to make the people a good representative, and we believe it will be well for the voters to give him candidacy due consideration.

DR. JOHN PRATHER IS
CALLED TO HIS REWARD.

Dr. John Prather, residing at Woodland Mills, and one of Obion county's oldest physicians and honored citizens, died at 2 o'clock Saturday morning, after a three week's illness of heart trouble. Deceased was born in Fulton county June 11, 1849, and had practised his profession between Hickman and Union City for upwards of a half century. It is needless to add that he possessed many warm, staunch friends. The funeral services were held at Poplar Grove church Sunday afternoon, but this church was far too small for the congregation which assembled. It might be said, too, that he was one of the few physicians who came to Hickman and volunteered his service during those disastrous days of the yellow fever epidemic in 1878—and stayed here until it was over.

He was twice married. His first wife was Miss Annie Lyle Winston, of Fulton county, to whom he was married in 1872. His second, to whom he was married in 1897, was Miss Mattie Mewhinney, also of this county, and by whom he is survived. Fourteen children survive Dr. Prather, namely: Chas. Prather, Batesville, Ark.; B. H. Prather, State Line, Ky.; P. W. Prather, Woodland Mills; Mrs. Thos. Flack Woodland Mills; Richard Prather Memphis; George, Gus, Mary Nettie Worth, Esther, Irma, Louise and Edgar, all of whom reside in or near Woodland. He is also survived by two brothers, E. B. Prather, of Hickman, and T. A. Prather, of State Line; and also an uncle of Dr. H. E. Prather, of this city.

The death of Dr. Prather takes from Obion county one of her most honorable citizens; brings to a close a long, useful career. He was the same in sunshine and storm; a plain, strong, manly man.

Peace to his ashes.

SENSATIONAL BARGAINS
IN MISS. COUNTY LAND.

Here is the proposition you've been looking for. Fine "cut-over" land in Mississippi county, at about half what you ought to pay. Buying cheap land makes more fortunes than any one thing.

These lands are all in the New St. John Levee and Drainage District, right across the river from Hickman. The levee protecting all these lands is now being built. They are fine soil and being protected by a levee, makes them, at the price, very cheap lands, and on the terms offered any industrious man can own a farm. But, as the building of this levee is sure to increase land values, you will have to act at once for land like these now selling round \$20 to \$30 an acre. If you own land in this district, whether improved or unimproved, and want a loan, write us or call and see us.

Here are some good "cut-over" land bargains:

1—63 acres on Jim Bayou, 4 miles of Dorena, price \$27.50 per acre, 1-3 cash, balance 7 per cent interest.

2—960 acres near Bayouville, 10 miles of Hickman, price \$20 an acre. This can be had in 80 acre tracts at \$20 to \$25 an acre. 1-3 cash, balance at 6 per cent interest.

3—1400 acres, near Bayouville with 400 acres in cultivation, several buildings, school on land. Price \$28 an acre. 1-3 cash, balance on long time at 6 per cent interest.

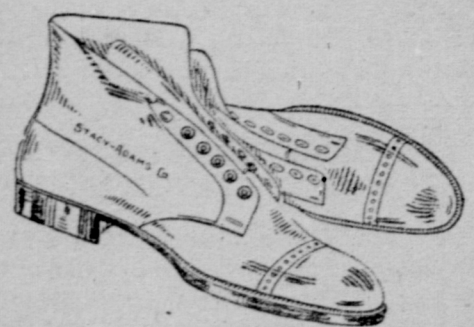

4—80 acres near Jim Bayou, four miles from Dorena. Price \$30 an acre, 1-3 cash, balance at 7 per cent interest.

5—240 acres, on Hickman and New Madrid road, 80 acres deadened off. Price \$18 an acre, 1-3 cash, balance at 6 per cent interest. The big drainage ditch is now being dug, running thru No. 23 and 4.

FIRES.

Assistant Fire Chief Fred Gilliam of Seattle, Wash., was killed and another man is missing and eight men injured in an opera house fire.

MISCELLANEOUS.

Young Dutton, one of the most enthusiastic sympathizers with war-stricken Europe, has disappeared from Chicago with \$1,500 he collected "for war sufferers."

Because he smiled when a masked bandit who had entered the prescription room of his drug store commanded him to hold up his hands, Dr. H. M. McMahon is in the Denver hospital with but slight chances of life.

A bid of \$2,400 secured the original manuscript of Eugene Field's poem, "Little Boy Blue," at the allied bazaar by John McCormack.

A bill offered in the legislature makes cigarette smoking in West Virginia a criminal offense and possession of cigarettes a misdemeanor.

Notary Public Notice

We, the undersigned notaries of Hickman, hereby agree to discontinue the practice of rendering free notary service.

This action is taken owing to the expense involved in qualifying for the office, making bond, expense of supplies and equipment, and the increased amount of notary work and time required for its attention.

UGH CALOMEL MAKES YOU DEATHLY SICK.

Stop Using Dangerous Drug Before It Salivates You! It's Horrible!

You're bilious, sluggish, constipated and believe you need vile dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tonic and take a spoonful tonight. It doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel sick and weak and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling great. It's perfect. So give it to your children. It can't hurt them. It can't make them eat anything.

ADKISSON AT DETROIT.

A week ago last night, Floyd Adkisson, an employe of the Southern Express Co., of this city, left Hickman for Detroit without making his intentions known to anyone. A letter from him to Mr. Isler, his employer, and his mother was delivered next morning stating that he had gone—but gave no reason for his departure. This, of course, caused some speculation—until a letter was received from him Monday, stating that he was now located in Detroit. It developed that for some time he had wanted to go to the Auto City, but his mother hesitated to give her consent and Floyd decided upon the plan he put in execution. He is now with the Southern Express Co. in Detroit. Floyd is a fine boy and his friends suffered some uneasiness over his mysterious departure, and will be glad to learn the easy explanation of the affair.

YOUTH USES KNIFE.

Jack Lawrence, age 20, sustained a five inch slash in the left arm and a stab in the back, as result of a difficulty with Cecil Owens, which occurred in West Hickman Sunday night. At first it was thought Lawrence was badly hurt, but he is able to be out again. Owens, who was only 16 years old, left town and evaded arrest.

It is said Lawrence knocked Owens down and the boy came up with his knife in his hand and began to carve his antagonist, who sought safety by flight.

County School Notes

By Miss Virginia Luten
County Supt.

Misses Pauline Shaw and Jessie Wade, Tobe Herring and Auleie Adams have entered school at the Western Normal.

Under the present law the new trustees of rural schools begin their term of office the first Saturday in March. On that day all trustee meet in the office of the county superintendent, instead of in the divisions as heretofore, and the division boards are organized on that date. Teachers wishing positions for next year should make application to the new trustees. All applications must hold first class county or state certificates and should state clearly their qualifications showing the amount of work done in high school, Normal or University. The following is a list of the trustees for next year:

R. C. Arrington, Taylor School.
J. H. Wade, Palestine.
C. L. Herring, McFadden.
T. E. Williamson, Lodgeston.
T. C. Kelly, Walnut Grove.
S. N. Sweeney, Stubbs.
D. H. McKelvey, Montgomery.
Henry Mangold, Sr., Fair View.

W. S. Andrews, Beech Grove.
C. S. Patterson, Graves.
W. A. Nipp, Sycamore Chapel.
Mrs. H. L. King, Blue Pond.
J. J. Wells, Sassafras Ridge.
E. P. Pollock, New Hope.
J. H. Royer, Island No. 8.
Green B. Everett, Madrid Bend.

J. E. Elgin, Bondurant.
J. A. Kingston, Tyler.
C. G. Alexander, Jordan.
A. C. Bacon, Sylvan Shade.
J. W. Brown, Cayce.
J. R. Scott, Roper.

WINTER BRINGS COLDS TO CHILDREN.

A child rarely gets through the whole winter without a cold, and every mother should have a reliable remedy handy. Fever, sore throat, tight chest and croupy coughs are sure symptoms. A dose of Dr. Bell's Pine Tar Honey will loosen the phlegm, relieve the congested lungs and stop the cough. Its antiseptic pine balsams heal and soothe. For croup, whooping cough and chronic bronchial troubles try Dr. Bell's Pine Tar Honey. At all druggists, 25c.

Don't be surprised if you hear of Gov. Stanley flopping over to state-wide. It will be a long jump—a kind of Ham Patterson awakening and once-over—but the Governor sees the hand writing on the wall, and its going to be mighty lonesome in the "personal liberty" camp in a few more months.

LEE JACKSON DEAD.

Lee Jackson, of West Hickman, died Friday of measles. He was born Dec. 28, 1869, lived in Hickman for several years and was employed by the Mengel Box Co. A wife and several children survive him. It might also be mentioned that it was Mrs. Jackson who last year developed some unknown trouble of the arm and physicians were forced to amputate it to save her life.

The remains of Mr. Jackson were buried at Brownsville. The bereaved wife has had more than her share of trouble and has general sympathy. Besides the loss of her husband, all of the children now have measles.

Are You a Stockholder?

The books open today, Feb. 1, for a new series and close Thursday, Feb. 15.

Now is the time to subscribe and be with an institution fostered by home people and which has seen twenty-seven prosperous years of existence.

In building a home through the association you are simply investing rent money which eventually rewards you with a home of your own at the maturity of the series in which you have borrowed, instead of having paid rent for that length of time and in the end have nothing to show for the outlay.

It's worth thinking about. We have at present 259 members who hold 1501 shares of stock.

Our loans at close of business

Dec. 31, 1916 were . . . \$75,000.00

Cash on hand and other items . . . 17,000.00

Due shareholders . . . \$92,000.00

We had 14 Series in existence—beginning with Series "OZ" and ending with Series "B3".

The Series now open is "C3", or in other words we have started on the third round of the alphabet and have gotten as far as the letter "C" since the institution was inaugurated.

A new issue of the \$1 and \$2 greenbacks of civil war days, discontinued more than 30 years ago, will be put in circulation again today (February 1st), displacing similar United States notes of larger denominations to provide relief from the unprecedented demand for small paper money. Cincinnati Man Tells How To Shrive Up Corns or Calluses So They Lift Off With Fingers.

Ouch! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or sore corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you. Adv.

REDUCE AND INCREASE FIRE INSURANCE RATES.

The long standing disagreement between fire insurance companies and the State Insurance Rating Board over the construction of the amended insurance law and a proposal of the companies to change rates on sixth class, unprotected towns, and change the term rule, apparently has been composed.

By the terms of agreement signed by N. O. Gray, chairman of the Rating Board, and G. H. Parker, manager of the Kentucky Actuarial Bureau, dwellings in unprotected towns get a flat reduction of 10 per cent, and mercantile risks an increase of 10 per cent, while annual premiums are reduced 20 per cent in all towns of the first five classes, those having fire protection.

These reductions are made in return for a change in the term rules. Heretofore companies have been selling three-year policies for the price of two annual premiums and five-years policies for the price of three annual premiums. Hereafter three year policies will cost two and a half years premiums and five year policies will cost four years premiums, but the reduction of 20 per cent on the annual premium will leave the three year policies at practically what they cost now, increase the five year policy slightly and make a flat cut of 20 per cent on the premium for one year policies.

The same rule applies to dwellings in sixth class, unprotected towns, excepting that the reduction is only 10 per cent.

OUT OF THE GLOOM.

Many A Gloomy Countenance In Hickman Now Lightens With Happiness.

A bad back makes you gloomy. Can't be happy with continual backache.

The aches and pains of a bad back Are frequently due to weak kidneys.

Doan's Kidney Pills are recommended for weak kidneys.

So Hickman citizens testify.

Mrs. R. C. Smith, 813 Catlet St., Hickman, says: "Over eight years ago I suffered with an attack of kidney trouble and backache. My kidneys were too frequent in action and the kidney secretions were unnatural. I was annoyed a lot with my back and at one time when I was bent over, a sharp, terrible pain caught me in the small of my back and made me scream. It was some time before I could straighten up even slowly. I bought Doan's Kidney Pills at Helm & Ellison's Drug Store, and one box gave me good results. I haven't had to use any kidney medicine since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Smith had. Foster-Milburn Co., Prop., Buffalo, N. Y. Adv.

Here, it is a bit out of the natural order of things, yet the office of "city manager" is becoming popular, because the office is getting results. Hundreds of cities have delegated the powers of the city council to the "city manager," and this office has been empowered to outline a plan for improving and beautifying the city, resulting in the conformation of idea that one man who is held responsible for results beats a half dozen men who do not know what they want or what the city requires. A "city manager" for Hickman wisely selected would make the old town "bloom and blossom as the rose." But some old fossil is ready to say, "We is gittin' on well enough any way, no how, and it will cost the taxpayers more."

Louisville in sending an appeal to Chicago for the next meeting of the World Purity Federation, made the usual reference to Kentucky as "the land where milk and honey freely flow as rain; where the sun shines brightest; where the grass grows the greenest; where the women are the fairest, and the horses are the fleetest," but leaves out "where the liquor is the best." PRINTING WOOD CARDS.

The Courier turned out this week a unique business card for Col. C. L. Walker. The card is made of a three-ply sheet of the famous Mengel veneer and is very little thicker than the ordinary paper card, although it is composed of three thin sheets of wood glued together. It has one advantage over our best card stock—in case it gets soiled the card can be washed with soap and water without any danger of damaging it. If paper prices doesn't drop soon, we may be forced to print the Courier on a 2-ply veneer—it would be as cheap, and far more durable than news print paper.

TODAY GERMANY STARTS RUTHLESS SEA WAR.

Germany yesterday served notice on the United States that because of its failure to open peace negotiations with Entente Allies, it would open an unrestricted warfare on the seas.

The decision to wage unrestricted warfare on the seas will be put into effect today.

After stating in a note to the United States that all her peace overtures had been rejected, Germany says:

The Imperial government, therefore, is forced to do away with all restrictions which until now it has impressed upon the use of its fighting means in the sea.

The German note states that it is hoped that the American government will warn American ships are described in an appendix to ships about entering zones which the note. Germany also states that it hopes the United States government will warn Americans against traveling on ships to ports in barred zones or shipping American goods on them.

The barred zone is described in the appendix as being 20 miles of coastal waters bordering on the British Isles and the coasts of Great Britain's allies. American ships are to be allowed to pass undisturbed, when following certain prescribed routes, but all enemy merchantmen, which are armed are to be sunk without warning.

So far as the United States is concerned, the new order of things will force us to say what we consider "peaceful" merchantmen and whether a ship armed and with cannon, belongs to the peaceful class; all ships in the question of armament.

ment.

Germany is said to have launched a fleet of 800 big submarines with which to "blockade" England.

To say the least, the European war has reached a critical stage, lurking with danger for even neutral nations.

SPORTSMEN PROTEST.

At a mass meeting held at Dyersburg yesterday resolutions were passed protesting against the proposed drainage of Reelfoot Lake. It was the sentiment of the meeting that the lake remain as it is and suggestions were made that it be turned over to the national government and made a national game preserve.

MRS. ROWENA CARRIGAN DIES IN FLORIDA.

Mrs. M. Rowena Carrigan died at St. Petersburg, Fla., yesterday. Mayor Dillon received the following telegram from her son, R. W. Carrigan: "Mother passed away at 2:30 a. m. Will reach Hickman Friday."

Mrs. Carrigan was a sister of the late D. W. Dickinson, and will be remembered by all of our older readers. She resided at Madrid Bend, but has been away from here many years.

DEATH OF N. H. BELEW, OF NEAR CRUTCHFIELD.

N. H. Belew died after a few days illness of pneumonia, at 4 o'clock Tuesday morning at his home near Crutchfield.

Mr. Belew was a highly respected citizen of Fulton county, having lived near Crutchfield for years. He was 67 years old and a member of the Christian church at Enon.

Mr. Belew is survived by three brothers, Sebe Belew, of Clarksburg, Tenn.; Jake Belew, of Lexington, Tenn.; Jim Belew, of Huntingdon, Tenn., and five daughters, Misses Maude and Ina, who lived with their father; Mrs. W. T. Gaskins, of Piggott, Ark.; Mrs. Milner Byrd and Mrs. Percy Moore, both of near Crutchfield, also four sons, R. M. and Clarence Belew, of Fulton; T. N. Belew, of Crutchfield, and Guy Belew, who lived with his father.

The funeral and burial took place at Rock Springs, near Crutchfield, Wednesday morning at 11 o'clock.

PREPARING LUNCHES FOR SCHOOL CHILDREN.

The following suggestions as to menus for basket lunches are taken from Farmers' Bulletin No. 712, "School Lunches," prepared by Caroline L. Hunt and Mabel Ward, United States department of agriculture.

The basket lunch to be eaten at school is harder to plan and also to prepare than a home lunch, for children. To begin with, there are many foods which cannot be included in a basket lunch, either because they are not good cold or because they cannot be conveniently packed or easily carried. This leaves fewer foods to choose from, and so extra care is necessary to prevent "sameness." Extra care is needed, too, in the preparation of foods that must be packed in small compass and kept for several hours before being eaten and that must very often be carried over dusty roads.

The number of foods that can be easily carried has been enlarged of late by the possibility of using paraffin paper and parchment paper, in which moist foods can be wrapped so as to prevent them from sticking to other foods. Paper cups, jelly glasses, jars with screw tops, and so on, are also a help, for in them sliced raw fruits, stewed fruits, custards, cottage cheese, and other half-solid foods can be carried.

The quality of the bread used in the basket lunch is especially important, because it is commonly served in the form of sandwiches, and is, therefore, to be considered not only as a food in itself but also as a means of keeping other much-needed foods in good and appetizing condition, or of serving them in attractive ways.

A few bills of fare for basket lunches follow, which may help in deciding what is satisfactory for the purpose. Many others equally good could be suggested.

Sandwiches with sliced tender meat or chicken for filling; baked apple; cookies; or a few lumps of sugar.

Slices of meat loaf or bean loaf; bread and butter sandwiches; stewed fruit; small frosted cake.

Crisp rolls, hollowed out and filled with chopped meat or fish, moistened and seasoned, or mixed with salad dressing; orange, apple, a mixture of sliced fruits, or berries; cake.

Lettuce or celery sandwiches; cup custard; jelly sandwiches.

Cottage cheese and chopped green pepper sandwiches or a pot of cream cheese with bread and butter sandwiches; peanut sandwiches; fruit cake.

Hard-boiled eggs; crisp baking powder biscuits; celery or radishes; brown sugar or maple sugar sandwiches.

Bottle of milk; thin corn bread and butter; dates; apple.

Raisin or nut bread with butter; cheese; orange; maple sugar.

Baked beans and lettuce sandwiches; apple sauce; sweet chocolate.

Many kinds of lunch boxes, pails and baskets are now on the market. The chief advantage of most boxes and pails is that they are made of metal and can, therefore, be easily cleaned and scalded to keep them in safe condition. Some boxes have the advantage over pails that they can be folded when empty and strapped with the schoolbooks. Baskets are ventilated, and for this reason suitable for carrying moist foods which are likely to spoil. There is no reason, however, why small holes cannot be punched in metal boxes or pails to let in the air. Baskets can, of course, be washed or scalded, but not so easily as metal containers, and they should be frequently cleaned. There should, in fact, be no part of any food container that cannot be cleaned. For this reason the simplest boxes and baskets are often better than the more elaborate ones, with compartments in which to keep dishes, knives, forks and spoons.

Macedoine of Vegetables.

Four ounces tomatoes, 12 ounces cooked butter beans, two hard-boiled eggs, one pint aspic jelly. Skin tomatoes and slice. Skin butter beans. Rub the yolks of eggs through the sieve and cut the white into dice. Put a little jelly into a plain mold, and when set decorate with white and yolk of egg. Put in a little more jelly to set the decoration and then the rest of the vegetables in layers. Fill up the mold with the rest of the jelly and leave until set. Turn out and serve on lettuce leaves with any preferred salad dressing.

Fish Cream.

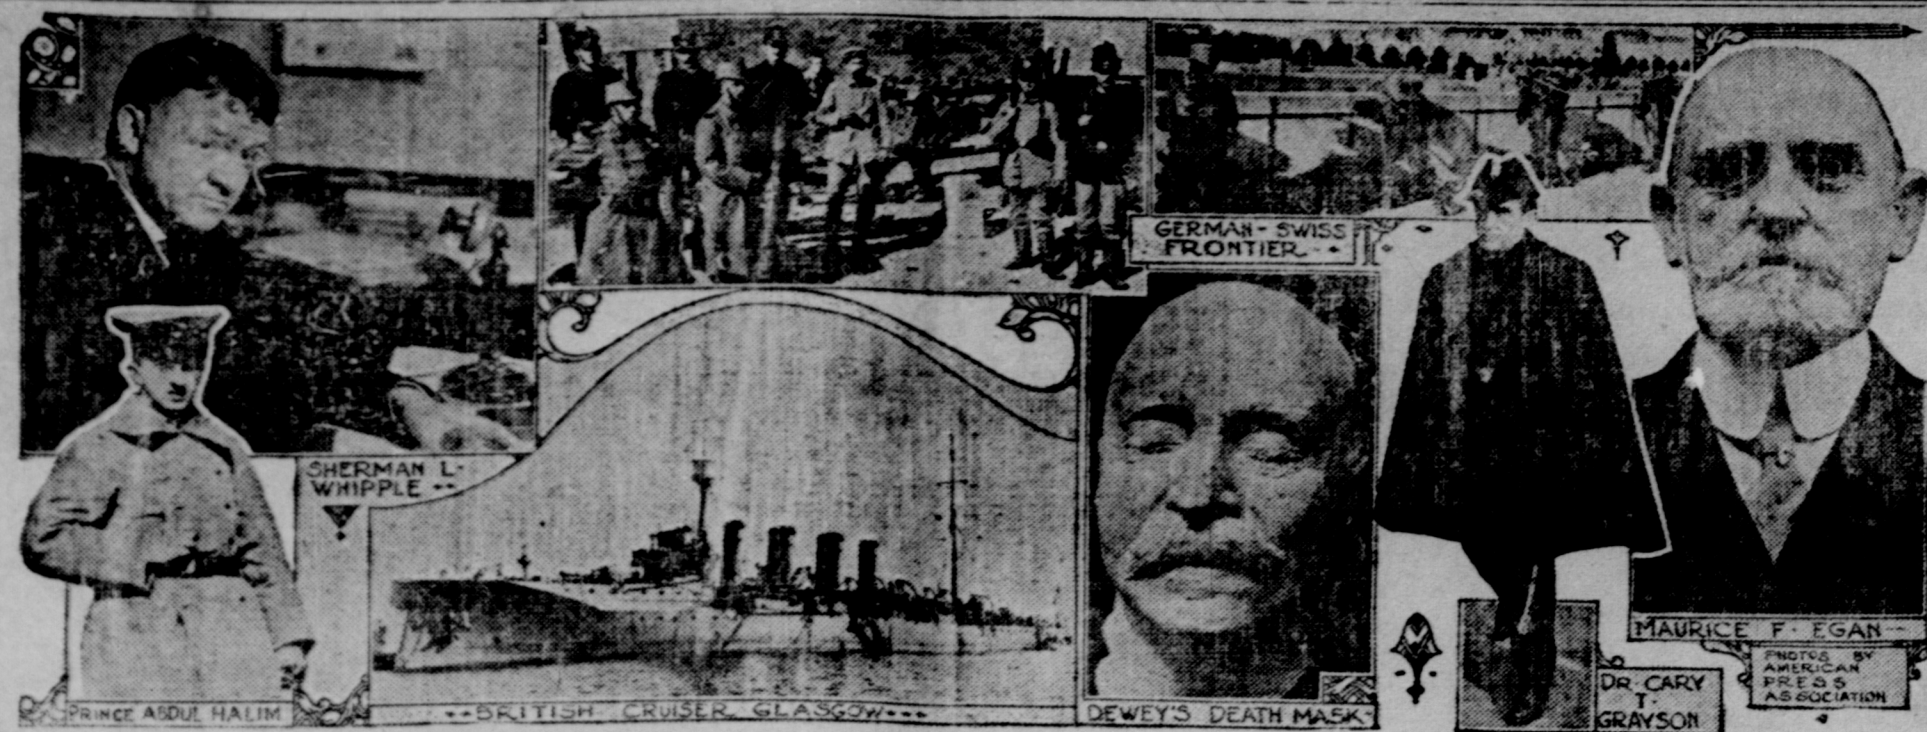

Run cold cooked fish through the chopper to the amount of two cupfuls. Pour one cupful of boiling water over one cupful of fine bread crumbs. Let this mixture stand 15 minutes, then add the fish, a half teaspoonful of salt, a pinch of white pepper, a tablespoonful of minced olives or parsley, two tablespoonfuls of melted butter and two well-beaten eggs. Pour into a well-buttered mold, steam in a steamer for three-quarters of an hour. Serve as soon as unmolded on a hot platter. Serve with tomato sauce. This makes a very nice dish for a luncheon.

Salt for Egg Stains.

Egg stains on silver spoons can be removed by rubbing them with damp salt.

News Snapshots Of the Week

The world was surprised by an address by the president before the senate in which he said America could only consider a world league to preserve peace on the basis of "peace without victory," a Monroe doctrine for the world could then be considered, he thought. Sherman L. Whipple, chosen counsel to search for peace "leak," started work on members of New York Stock Exchange. Prince Halim, Turkish crown prince, participated in meeting of royalty on Kaiser's birthday. Activity of German troops near Swiss border caused uneasiness. The president's advancing of Dr. Grayson, his physician, to the rank of rear admiral raised criticism in left. Admiral Dewey's funeral was a remarkable tribute. British cruiser Glasgow and other ships searched for commerce raider. Minister Egan left Denmark to be on hand for celebration of turning over Danish West Indies to the United States.

PEWITT FOR SHERIFF. IS STRONG CANDIDATE.

And now comes our old friend J. W. Pewitt, better known as "Doc" from the Palestine neighborhood, as a candidate for sheriff of Fulton county, subject to the action of the Democratic party. Four years ago Mr. Pewitt made the race for the same office and made a good showing. He is better known now and the man who beats him in 1917 will have to hustle.

Fulton county hasn't a finer citizen than Doc Pewitt. He is a plain, honest, sober, sensible man; one who has the courage of his convictions; and, whether in private or public life, he will always be found the same. If he is elected, it will have to be the result of his friends' efforts. He had rather go down in defeat in an honest effort than to ride into the office by political tricks and traffic; and these, to our way of thinking, are the kind of men we want in public office. There may be as good men in the race for sheriff, but we know there are no better ones than Doc, and the trial jury of Democratic voters of this county should give him the case due consideration before sentencing him to serve with the "also rans." He would make us a fine sheriff.

RYAN COMES OUT FOR FULTON COUNTY SHERIFF.

With colors flying and propitious breezes filling the sails of hope and promise, J. O. Ryan enters the race for sheriff of Fulton county, subject to the Democratic primary of Aug. 4, 1917.

Mr. Ryan has been a resident of Fulton county for the past fifteen years and is well and favorably known in both ends—and possibly the middle—of the county. During his residence in Hickman he has been engaged in various lines of business, and is a man of more than passing ability. Of course, he possesses all the necessary qualifications for the office he asks and has a good general knowledge of conditions in this county. He says if elected, it must be upon his "own hook," free of entangling alliances and gum-shoe politics; that furthermore he will make a cleaning of the bootlegging camps if he becomes sheriff, and will deal out an equal measure of justice to all. We believe he will do that. It must be admitted that the Irish-Americans (excuse the hyphen, Mr. Wilson) are the world's leaders in the matter of police officers; they are fearless, nifty and to "the manor born." Ryan is an Irish name—in fact, the very same made famous by Little Tommy Ryan, the great kangaroo boxer of Otter Creek—and J. O. may be a descendant of the famous Tommie; at any rate, he has the reputation for standing by his colors and fearing nothing—except the feminine gender, which is common among the bravest of men. So, it must be conceded that the police powers of the sheriff's office will be fully exercised if he is elected. In the matter of tax collecting—well, he'd

be "Johnny on the spot," because he is the best collector that ever hit Hickman, if we may rely upon reputation and not personal experience. He has even been known to "get blood out of a turnip." All the way 'round, he possesses the ability to make a sheriff. He is a splendid mixer, generally liked, highly respected and a good campaigner—although he is not a chronic office-seeker.

All Mr. Ryan wants is a fair show; he is in the race in earnest—and to win. He can live without the office, but would like to serve one term, during which he proposes to take the kinks out of certain existing evils, along with breaking up the bootlegging business. Don't overlook him on Aug. 4th.

REV. BELL RESIGNS.

Rev. J. E. Bell, pastor of the Brownsville Baptist church, has resigned his place with this church and will accept a call at Dyer, Tenn. He has served this church about three months. The congregation will meet next Sunday morning at 11 o'clock to consider the employment of another preacher.

THE WEATHER

COLD WAVE HITS US.

Between two o'clock yesterday afternoon and two o'clock this morning, the mercury dropped from 70 to 10 degrees above, ushering in one of the coldest snaps of the winter. The last week of January was regular spring weather.

The weather report this morning says: "Severe cold wave."

OLD LAND MARK PASSES.

The "mills of the gods grind slowly, but exceedingly fine." At last, after 10, these many years, the frame shack, known as the "Bucket of Blood," is being torn down, after being condemned by the City Council and the State Fire Marshal. Along with its passing, it might be added that it was the first photograph gallery in Hickman, and probably built for that purpose. How it earned its gruesome name, we do not know, but old citizens aver that many years ago it was common to have a negro killed or slashed up there about once a month; hence one part of the name. The legend or historical connection of the bucket remains a mystery, known only to another generation which has long since passed away.

MRS. CLARENCE LUTER. VICTIM OF PNEUMONIA.

Mrs. Clarence Luter, age 28, died at her home in the Henry Addition yesterday afternoon at 5:30, following a brief illness of pneumonia and measles. Deceased was born and reared near Martin, but had resided in Hickman for the past four years. She is a daughter of J. E. Mitchum and wife, both of Hickman, and by whom she is survived. She also leaves a husband and three small children, ages 2 to 5 years; and three brothers, T. E., J. M. and Forest Mitchum, and two sisters, Mary Lou and Gracie Trevathan.

Mrs. Luter was an excellent young woman and had made many friends in Hickman. She was a member of the Missionary Baptist church.

Funeral services will be held at the family residence this afternoon at two o'clock by Rev. R. C. Douglass and Rev. H. M. Crain. Burial will take place at the city cemetery.

The husband and little ones have sustained a great loss in the untimely death of wife and mother, and have the sympathy of their many friends.

VIOLENCE IS FEARED.

Nothing so far has been heard of Howard Walker by his parents, Mr. and Mrs. G. B. Walker, of this city. Young Walker disappeared about seven weeks ago. It seems that he had intended going to Louisville, Ky., where he had been promised a position, but at Union City, Tenn., he stated to a friend he was going to St. Louis and was going to ride a freight train. He wore dark trousers and a brown coat and vest and over this had put on a new pair of bib overalls to protect his clothing in riding the freight. He is about 24 years old.

The parents of the young man fear violence was done him, as they have heard nothing of him since he left Union City. Always before when away from home he had written often and to various members of the family.

WHERE WILSON STANDS ON WAR ISSUES.

Pres. Wilson's recent "war" address before the Senate was remarkable in many respects, and has caused favorable and adverse criticism both at home and abroad. Boiled down, the salient points were as follows:

That the nations with one accord adopt the doctrine of President Monroe as the doctrine of the world.

That all nations henceforth avoid entangling alliances which would draw them into competition of power.

That no nation should seek to extend its policy over any other nation, but that every people should determine its own policy.

Government by the consent of the governed.

Freedom of the sea.

Moderation of armaments.

WAS 73 YEARS OLD. MRS. LOUISA GRAY DIES.

Mrs. Louisa, wife of the late J. A. Gray, died at her home in Obion county, just over the Tennessee line, at an early hour Saturday morning. Pneumonia coupled with the infirmities of advanced age—being 73 years old—was given as the cause of death.

Mrs. Gray is survived by eight children—R. L. Gray, Mrs. M. Tull, Mrs. D. Cole, Will Gray, Arthur Gray, Miss Dollie Gray, Luther Gray and Mrs. "Buster" Hawkins.

The funeral occurred at Beech Grove Sunday at 11 o'clock.

Deceased was a member of the Methodist church, and most of her life was spent in this vicinity in which she died. She was a most excellent lady and loved by all who knew her. She leaves many friends to mourn her loss.

SHERIFF'S SALE.

By virtue of execution on sale bond No. 82 directed to me which issued from the clerk's office of the Fulton Circuit Court, in favor of Guy L. Freeman, Master Commissioner against Myra R. Faris, A. A. Faris and John R. Bryant, I or one of my Deputies, will, on Monday, the 12th day of February 1917, between the hours of 10 o'clock A. M. and 1 o'clock P. M., at the Court House door in Hickman County of Fulton Ky., expose to PUBLIC SALE, to the highest bidder the following property (or so much thereof as may be necessary to satisfy the amount of the Plaintiff's debt, interest and cost, \$4730 and interest and costs) to wit:

A strip of ground twelve feet wide running south from Exchange Street to Cherry Street, or Alley, being the east twelve feet of lots 86 and 102 and the west 43 1/2 feet of lot No. 101 as the same are known and designated up on the map, plan or chart of Old Hickman, Fulton County, Ky. Same was conveyed to A. A. Faris by Tom Dillon, Mayor of Hickman, deed dated March 3rd, 1913, and recorded in D. B. No. 30 page 135, in the office of the Clerk of the Fulton County Court and is also the same land sold by Master Com. Guy L. Freeman to Myra R. Faris by deed dated and recorded in D. B. Fulton Circuit Court, levied upon as the property of Myra R. Faris and A. A. Faris.

TERMS: Sale will be made for cash. Jan. 17, 1917. Bailey Huddleston, Sheriff F. Co.

Some of our exchanges are saving the Armo-Plate Committee a lot of worry by eliminating several towns from the list of those wanting the armor works. The Carlisle Co. News has dumped all except Paducah and Ashland. The Arlington Courier shuts out all but Paducah, Ashland and Louisville. The Cairo Citizen drops every thing in Kentucky except Louisville and Middlesboro. Paducah gets the "booby" for kindly offering the suggestion to eliminate all but one—and can you guess the said "one?" This will be a great help to the committee, but we contrary cusses at Hickman refuse to be eliminated by any except the armor plate authorities, however painless the newspaper operation might be.

FOR SALE: My home on Troy Ave., consisting of 7-room residence and 2 1/4 acres ground. House in good repair; city water; 2 cisters; barns, out buildings. Will sell on attractive terms, or exchange in deal for land in Fulton, Obion or Mississippi counties. For information apply at this office.

GOOD TONIC FOR HOGS.

Many of the condimental stock foods on the market have a low value, owing to the fact that they are diluted with dirt and other material which has no medicinal or feeding value. All animals, hogs, especially, should be furnished some mineral substances in their feed. A home made mixture which has been used with success in several States, and is recommended by the United States Department of Agriculture, has the following composition:

Crushed charcoal—1 bu.
Hardwood ashes—1 bu.
Salt—8 lbs.
Air-slaked lime—8 lbs.
Filtered sulphur—4 lbs.
Pulverized iron sulphate (copperas)—2 1/4 lbs.

GOOD GREEN MANURING CROP

Big Value of Sweet Clover Is to Turn Under to Improve Soil—Foliage Has Bitter Taste.

(By C. B. HUTCHISON, Missouri College of Agriculture.)

The chief value of sweet clover for Missouri conditions is as a green manuring crop. Being a legume, it has the power of gathering nitrogen out of the air and storing it in the soil by means of the bacteria which live upon its roots. Since it makes such a heavy growth and does well on thin lands, it makes a good crop to turn under to improve the soil.

The value of sweet clover as a pasture or hay crop is much disputed. Some farmers regard it as practically worthless and consider it a weed, while others apparently have had good success with feeding it. Its foliage has a bitter taste due to the cumarin it contains and its stems have a tendency to become woody as they mature. If not allowed to become too rank before pasturing, or if cut for hay before the first bloom buds appear, these two objectionable features may be avoided to a considerable extent and very good feed obtained. It has been found, too, that stock will learn to eat it, and after being fed or pastured on it do not object to the bitter taste, as at first. Since it is a biennial, sweet clover may take the place of red clover in the rotation on those lands where the latter does not thrive well, but on the best lands it cannot compete with either red clover or alfalfa for hay.

The fact that the bacteria in the nodules on its roots are capable of inoculating alfalfa has led to the idea that it is a valuable crop to occupy the land immediately before seeding alfalfa. This may sometimes be done, but usually lands that have never grown sweet clover need inoculation for it as well as for alfalfa. It has been found necessary to inoculate the soil on the experiment station field at Columbia for sweet clover, and even with this precaution considerable difficulty has been experienced in getting a stand. It is evident, then, that it is frequently more difficult to obtain a good stand that one might expect from a general survey of the habits and characteristic of the plant.

It is none of our business. But after a woman has developed the middle-aged spread and her ankles are as big as her knees, she hasn't any business wearing those knee-length skirts.

Down South We Learn To Spell

I can spell my name: S-O-V-E-R-E-I-G-N. And I know what it means—good blood and right stock—the finest ever!

My! Isn't there a lot to learn? Have to keep your eyes and ears open. And the Governor says you can't get it all out of *books*.

My folks keep telling me: "Remember you are a Southern

gentleman. Be clean; be sweet; be good. A good cigarette burns to a smooth, even ash—it *never* parches the tongue nor dries the throat."

So I'm saying to you—it doesn't matter how you spell cigarette, if you pronounce it—SOVEREIGN. You can rely on real old, smooth, mellow Virginia and Carolina tobacco. Quality tells—and

You Folks of the South KNOW good blood!
You Folks of the South KNOW good tobacco!

Now let's all us good folks stick together. Let us be friends—and you bet I, SOVEREIGN, will never fail you. And besides, just keep this always in your mind—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.

FIRST METHODIST CHURCH.

Services for Sunday, Feb. 4th, will be as follows:

Sunday School at 9:45 a. m., F. T. Randle and A. O. Caruthers, superintendents.

Worship at 11 a. m. with sermon by the pastor.

There will be no service in the evening, because of the revival that begins at the First Baptist church on this Sunday. A very cordial invitation has been extended to the pastor and his congregation to attend and assist in this revival at the Baptist church. The pastor indulges the hope that his people will do what they can to make the meeting a great blessing to our town.

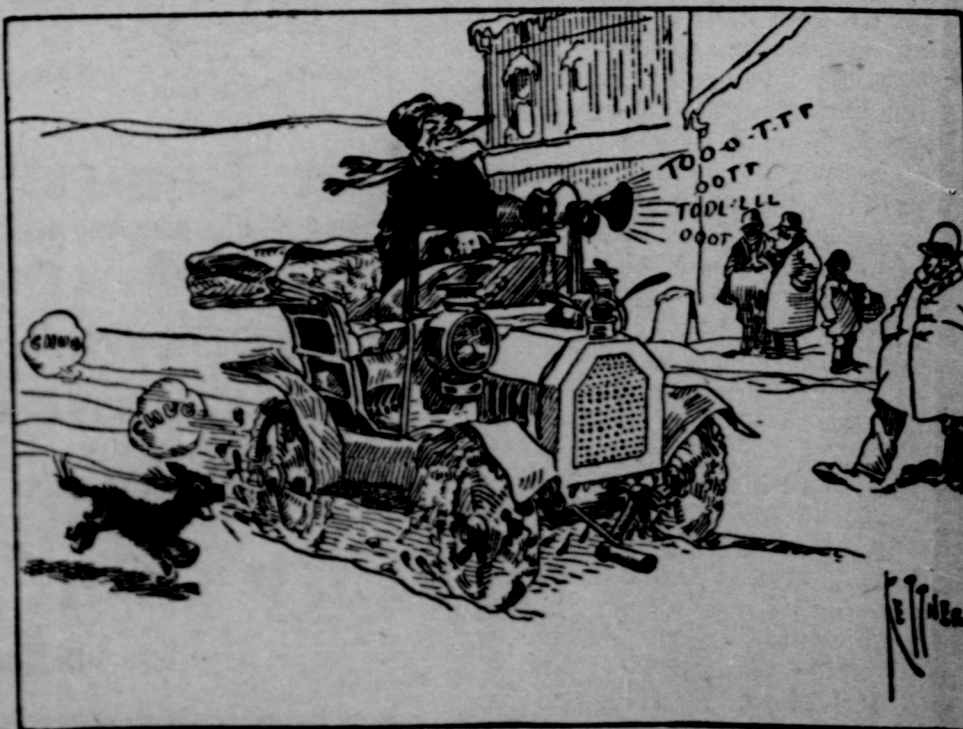

The Mission Study class meets every Tuesday at 7:45 p. m. in the league hall. Everybody invited to join this class.

Epworth League at 6:30 p. m. Sunday. Subject, "Visions and Tasks."

J. D. LEECH DEAD. BROTHER MRS. D. B. WILSON.

Joseph D. Leech, past 70 years of age and a prominent citizen of Wingo, died at 8:02 o'clock Sunday night. Surviving him is a widow and a son, Strouther Leech and a brother and sisters, and many friends. He was born near Wingo but for many years had lived in the Madrid Bend section of Fulton county. For the past several years he had lived in Wingo. He was the eldest of the Leech brothers and leaves one brother and the following sisters: Will Leach, who is in Texas ill; Mrs. Mattie Anderson, of Texas, Mrs. Hobson, of Mayfield, Mrs. Emma McKeel, of Mayfield, and Mrs. D. B. Wilson, of Hickman. Burial occurred Monday morning at 10 o'clock at Wingo.

Deceased had many friends in Hickman and was a fine man.

W. T. Shelby returned from Cairo Friday after a visit with his sons, Luther and Lonzo Shelby. Mr. Shelby may move to Cairo.

MRS. LENA THRELKELD JOINS SILENT HOSTS.

Mrs. Lena Rivers, beloved wife of Louis Threlkeld, died at her home in Okolona, Miss., at 4:25 o'clock Saturday morning, after an illness of six months. Although the inevitable end was half expected, her death came as a great shock to both relatives and friends.

Deceased was born in Fulton county on Sept. 19, 1874, being a daughter of the late Arthur King, and grew to womanhood in our midst. She was united in marriage with Louis Threlkeld October 25, 1893. To this union were born three children—Miss Laverne, Arthur Louise and Russell Lee Threlkeld. The husband and three children survive their wife and mother. The sisters, Mrs. S. M. Naifeh, of Hickman; Mrs. A. K. Robinson, of Dyersburg, Tenn.; and Mrs. Jas. Jackson, of Clinton, Ky.; and one brother, E. L. King, of Union City, survive her. She was a devout, faithful member of the Baptist church, with which she united when 17 years of age, and a short time ago transferred her membership to Okolona, to which place the family moved some three years ago.

The remains were brought back to Hickman for burial. Funeral services were conducted by Rev. H. M. Crane, at two o'clock Sunday afternoon, at the First Baptist church, and a large congregation of friends of the family were in attendance to pay their last respects to this good lady, whom they held so dear. Following Rev. Crane's beautiful eulogy, so well merited by this noble Christian character, the body was consigned to its last resting place in the Hickman city cemetery. The magnificent floral offering was a silent testimonial of the popular esteem in which Mrs. Threlkeld was held in this community, and it is with a tear of deep regret that we reconcile ourselves to the will of Him, who doeth all things well.

Samuels; First District Association, Rev. W. H. Lowells; Song, Rev. E. A. Warren.

Funeral oration by Dr. C. H. Clark, of Nashville.

Dr. O. Durrett will long be remembered by his untiring efforts in building up the community, intellectually as well as otherwise. He built two massive structures, the first having gone up in flames, but by the help of the membership and friends of both races he was able to erect the second building and parsonage which stands as a living monument to his memory. He was ever grateful to his white friends for their generosity in assisting the church. It is conceded by all that his work in the community was of untold help in the development of the religious and civic standing of his people.

The family wishes to thank their many friends for their kindness during the illness and death of their beloved husband and father.

FULTON IS WITH US.

Sec'y. J. D. Davis, of the Fulton Commercial Club, writes Mayor Tom Dillon as follows:

"I beg to acknowledge receipt of your favor of the 16th inst. relative to the activity of your good citizens in making a fight for the Armor Plate Plant which will be established somewhere within the interior by the United States Government.

"While it is a fact that this club has already recommended Paducah as a site for this plant, yet that was done before we knew that Hickman would make an effort for it; and, since we have been advised of your action we are ready to ally ourselves with your forces and all pull together for something great for Fulton county. At our regular board meeting last night I was instructed to write you advising you of our intentions, and to state to you that we will immediately write our Congressman and Senator asking that they will lend their efforts towards securing the plant for Hickman.

"If there is anything that we could materially assist you in with your plans we should be glad to have you advise us of the fact, and remember that we are at your service."

It is needless to add that the business men and citizens of Hickman in general are very grateful to our friends at Fulton for this spirit of co-operation.

Quick Cold Relief

is usually found through the prompt administration of a mildly laxative, dispersive tonic—one that will scatter the inflammation, remove the waste, and help Nature to build up resistance.

Peruna is That Tonic.

Its action is prompt, usually very effective, and its use is without harmful effects. Every household should keep it at hand for this purpose, and every catarrhal sufferer should regularly use this reliable remedy.

The tablet form will be found very convenient. A tablet or two at the very beginning of a cold will frequently prevent its development, and these tablets may be taken regularly with beneficial results.

Many prefer the liquid form which for nearly half a century has been the reliance of the American Home.

Both are good. Your druggist can supply you.
